

When you say A-La-Carte, what exactly does that mean?

A-La-Carte dining is about being able to decide from a list of many different dishes, we take it a step further. We prepare your meal as you order it, nothing is pre-cooked or pre-prepared. None of our sauces or bases comes from a pre-fabricated mix, all are made from the freshest ingredients. This allows you to make changes to the menu if it is required. For example, you don't like mushrooms or you love mushrooms, we can remove or add them according to your needs. All you need to do is ask.

Because we believe a meal is to be enjoyed, every dish is made from the base up as ordered. Time is taken to ensure it is just right, succulent steaks, rich decadent pastas, plump prawns, they all take time. Sit back and relax, enjoy a glass of wine and be prepared to indulge your senses.

Liquor License.

We are FULLY LICENSED and able to sell alcohol without a meal, provided it is consumed on the premises.

Assaggini Menu.

Our Assaggini Menu is part of the new Cocktail Lounge area of our business, you may order from it in the restaurant, but it is not part of the restaurant menu and is not included in the Entertainment book, Bartercard or any other discounts offered.

Bookings for the Cocktail Lounge area may be made in the same way as our restaurant bookings, we will ensure tables are available for you to relax and enjoy your evening.
